

ABBERLEY PARISH COUNCIL

SWDP REVIEW

The South Worcestershire Development Plan is currently under review and comments need to be submitted by 17th December 2018. Part of the Review requires Malvern Hills District Council to identify land for development purposes to meet the Government's housing target to 2040. This has been done through a "Call for Sites". The initial response has resulted in an area of land in Abberley being suggested for consideration.

http://www.swdevelopmentplan.org/?page_id=14130 gets you to a link to the interactive map which shows the sites in blue

There is then a process to determine if land is suitable and if accepted it would then be available for development between 2021 and 2040.

The following link will take you to the SWDP summary document <http://www.swdevelopmentplan.org/wp-content/uploads/2018/11/PL-SWDP-Report-summary-2018-FINAL.pdf>

This sets out clearly the aims and objectives of the review process and includes a link to how **you** can comment.

Abberley Parish Council Neighbourhood Plan Committee is dealing with the issues to be considered and will be submitting a response on behalf of the Parish Council.

Parish Council meetings are open to all and we would encourage Parishioners to attend. Parish Council agendas and minutes and those of the Neighbourhood Plan subcommittee are published on the web site and posted on village noticeboards.
